Biography

I joined Toastmasters in 2014 as a member of District 22 in Kansas and Western Missouri. Toastmasters has allowed me to be more confrontable at the front of the room. I am currently the Assistant Registrar for Admissions at an Academic Medical Center. MyWhy is the stories my fellow Toastmasters tell and the plethora of learning opportunities they provide.

RA Role

The Region Advisor supports District Directors, Program Quality Directors, Club Growth Directors, and District Public Relations Managers to maximize performance while helping to identify strategies to achieve the district mission.
